8. Read Proceedings of the Chief Commissioner of Mysore, No. 5185—Edl. 8, dated 23rd September 1875, requesting the opinion of the Members of the Municipal Commission as to the Municipality bearing a moiety of the Grant-in-aid towards the funds of the Anglo-Indian Aid Association.

Resolution.—The Commissioners while fully recognizing the importance of the object for which this grant is required would beg respectfully to point out that in their opinion it is undesirable that any part of funds which are raised from the entire population or placed at the Commissioners' disposal for general purposes should be devoted to endow an institution the object of which is to afford relief to only one section of the community, and that a very limited one as regards numbers.

The above Resolution having been put to the vote was carried by a majority, six having voted for and four against it.
